

Whose House?

Look at the houses carefully.

Read the descriptions. Draw a line from the houses to their owners.

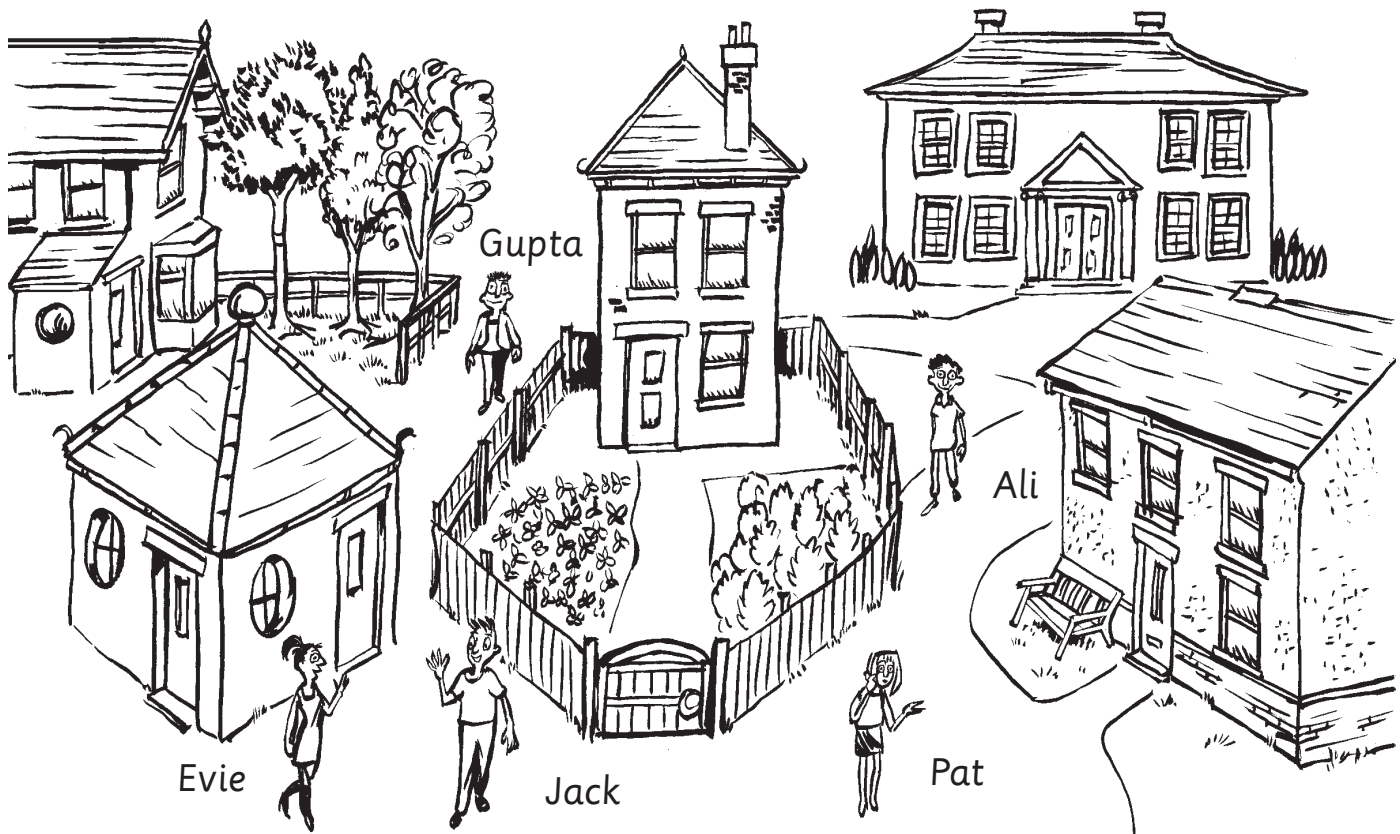

Jack's house has four windows and a seat by the door.

Ali's house has two round windows and two doors.

Pat has three trees in the garden of her house.

Gupta has four windows upstairs and four windows downstairs in his house.

Evie has a fence right round the garden of her house.

Look again:

Look carefully at the houses and their owners. Which owner is the *most* likely to own a puppy?

Give a reason for your answer.

Wanted!

Look at the 'Wanted' poster.
