

Support for Basic Science

Unit 1 - Life processes and living things

William Hartley

Illustrated by Chris Hahner

Contents

Section 1 - LIFE PROCESSES	
Animal features	1
Plant features	2
Choosing where to live	3
Section 2 - GREEN PLANTS	
Plant growth	4
Root, stem, leaf, flowers	5
Flowers and seeds	6
Section 3 - HUMANS AND OTHER ANIMALS	
Food and feeding	7
The blood in your body	8
Exercise and rest	9
You and your bones	10
Life cycles	11
Keeping healthy	12
Section 4 - VARIATION AND CLASSIFICATION	
The same or different?	13
Grouping living things	14
Section 5 - LIVING THINGS IN THEIR ENVIRONMENT	
Keeping places clean	15
Fitting in	16
Who eats what?	17
Minibeasts	18
Check-up Test 1 (for sections 1&2)	19
Check-up Test 2 (for section 3)	20
Check-up Test 3 (for sections 4&5)	21
Glossary	22
Pupil's Record Sheet/Learning Outcomes	23

Support for Basic Science

Unit 2 - Materials and their properties

William Hartley

Illustrated by Chris Hahner

Contents

Section 1 - GROUPING AND CLASSIFYING MATERIALS

Comparing materials	1
Using materials	2
Keeping warm	3
Electrical facts	4
Rocks and soils	5
Solids, liquids and gases	6

Section 2 - CHANGING MATERIALS

Changing shapes	7
Heating and cooling	8
How hot? How cold?	9
Changing things	10
The water cycle	11
Burning	12

Section 3 - SEPARATING MIXTURES OF MATERIALS

Dissolving	13
Evaporating	14
No change!	15
Sorting solids by size	16
Filtering	17
Separating problems	18
Check-up Test 1 (for section 1)	19
Check-up Test 2 (for section 2)	20
Check-up Test 3 (for section 3)	21
Glossary	22
Pupil's Record Sheet/Learning Outcomes	23

Support for Basic Science

Unit 3 - Physical processes

Book A

William Hartley

Illustrated by Chris Hahner

Contents

Section 1 - FORCES AND MOTION

Magnets	1
Magnetic or not?	2
The pull of the Earth	3
Friction	4
Equal and unequal forces	5
Measuring force	6

Section 2 - LIGHT AND SOUND

Light sources	7
Shadows	8
Reflection of light	9
Seeing	10
How sounds are made	11
How sound travels	12

Section 3 - ELECTRICITY

Electrical facts - 1	13
Electrical facts - 2	14
An electrical circuit	15

Section 4 - THE EARTH AND BEYOND

Sun, Earth and Moon	16
Day and night	17
Going round and round	18
Check-up Test 1 (for section 1)	19
Check-up Test 2 (for section 2)	20
Check-up Test 3 (for sections 3 & 4)	21
Glossary	22
Pupil's Record Sheet/Learning Outcomes	23

Support for Basic Science

Unit 4 - Extra activities for KS3

Book A

William Hartley

Illustrated by Chris Hahner

Contents

Section 1 - LIFE PROCESSES AND LIVING THINGS

Cells	1
The human digestive system	2
Breathing in humans	3
Photosynthesis	4
Variation	5
Ecology and the environment	6

Section 2 - MATERIALS AND THEIR PROPERTIES

Solids, liquids and gases	7
Atoms and elements	8
Physical and chemical changes	9
Geological changes	10
Acids and alkalis	11
Properties of materials	12

Section 3 - PHYSICAL PROCESSES

Electricity and magnetism	13
Forces	14
Light	15
Sound	16
The Earth and beyond	17
Energy	18
Check-up Test 1 (for section 1)	19
Check-up Test 2 (for section 2)	20
Check-up Test 3 (for section 3)	21
Glossary	22
Pupil's Record Sheet/Learning Outcomes	23
