

New Leavers' Programme

1: Personal

Andre Staras

Illustrated by Sue Prince

These worksheets were designed for pupils at Key Stage 3 & 4 with learning difficulties working at levels 2 to 4 of the National Curriculum. They have also been found to be effective across a wide ability range. They cover areas of a cross-curricular PSE course, but each individual sheet makes a contribution to several different areas of the National Curriculum, in particular, English and Mathematics.

These sheets are not intended to be used entirely on their own. They will be much more effective if used as a stimulus or introduction to the topic. There are suggestions for follow-up work, both on the sheets and in the Teachers' Notes, many of which are quite open ended and could lead to extensive discussion and investigative work by pupils.

Contents

1. Personal Details
2. How have you changed?
3. What I like
4. What do you think?
5. What are you like?
6. Clothes
7. Caring for yourself
