The most important thing in life is

Young people are

Name _____

Help!

Without all the important emergency, help and support services that keep a community running, our lives would be very disorganised.

Which services would you need for each of the following incidents?

Use a telephone directory or the internet to help you find out.

There has been an accident.

Call _____

Phone number _____

All the lights in your house have gone out.

Call _____

Phone number _____

Your car has broken down.

Call _____

Phone number _____

Your sewer is blocked.

Call _____

Phone number _____

You are too ill to get up.

Call _____

Phone number _____

You see water gushing from a hole in the ground.

Call _____

Phone number _____

Your bike has been stolen.

Call _____

Phone number _____

You can smell gas.

Call _____

Phone number _____

Sometimes we see workers digging up the road.

Make a list of all the services that go underground.

Now ...

Look for roadworks near where you live.

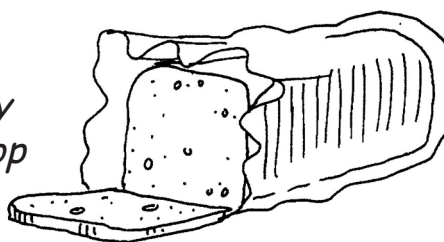

Try to find out what they are doing.

Name _____

How much do they cost?

Can you judge the price of things?

Write down what you would expect to pay for these items, then check both in a shop and in a supermarket to find the cheapest and the dearest prices.

sliced loaf
