# Should Pupils Have to Wear School Uniform?

Read the following passage and then list the opinions for and against the wearing of school uniform in the boxes below.

Some pupils think school uniform is a good thing and some dislike wearing it.

Pupils who are in favour say it makes them easily recognisable on school outings. It is cheap, hard-wearing and easy to wash. It also stops them competing with each other to wear the most fashionable clothes to school.

Pupils who do not like uniform complain that it makes them all look the same. It doesn't give them any choice in how they dress and is unfashionable.
