Henry's holiday

Put the pictures in the correct order.

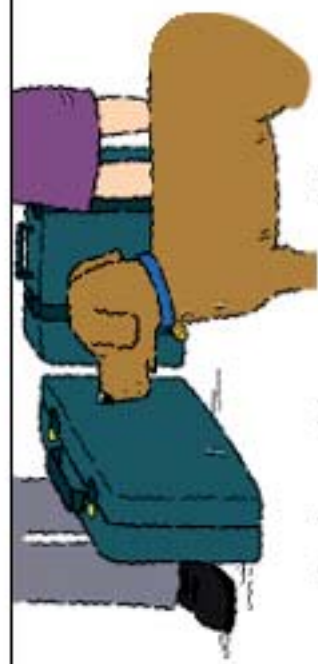

They all pulled, but they couldn't get him out.

When they got to the kennels, Henry wouldn't get out of the car. He wanted to go with them.

So the family took Henry on holiday and he had a lovely time.

Henry the hound knew something was up - the family were all packing suitcases.

"Get in the car Henry," said Mum. Then they all went off to the kennels.
