Proven e-Learning Literacy Resource

Used by **thousands** of teachers, parents and pupils every day

"Children can work through a wide range of stories, so interest levels are catered for beautifully..."

Tony, Teacher & Parent

"Very handy for reluctant readers!"

Wendy, Teacher

"My kids just love it. It makes literacy fun."

Brett, Teacher

"It really engages our kids – they absolutely love it."

Veronica, Teacher

Making reading **FUN!**

Ziptales has been helping pupils for over a decade to improve literacy. It offers a unique approach with over **500 interactive stories and lessons** aimed at making reading fun. It is fully curriculum aligned.

Ltd

ZIPTALES®

Something for everyone

Over 500 interactive levelled stories, puzzles, games, poems, videos and lessons, with comprehension quizzes, voice-overs, animations and worksheets.

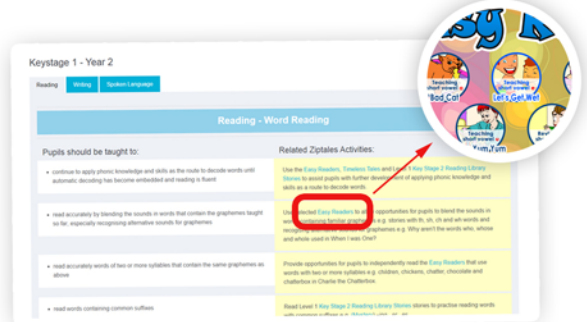

A little extra help

Not only can Ziptales help all your pupils improve and enjoy reading, it's also perfect for reluctant readers, SEN support and ESL support.

Teachers LOVE it

Help yourself and fellow teachers feel comfortable with the NEW UK National Curriculum. We align the curriculum by grade level directly to all stories, activities and resources.

The easiest resource you'll ever use

Ziptales allows schools to be automatically logged in 24 / 7. There will be no more wasting the entire class trying to reset passwords. Plus, Ziptales works on all devices including computers, tablets, interactive whiteboards and more.
